Peoples has an adult criminal history that began at the age of 19 and includes convictions for multiple robbery, multiple burglary, multiple grand theft, theft of personal property, false identification to peace officer, petty theft w/priors, identity theft and violation of post release community supervision. Peoples has served multiple state prison terms the longest a four (4) year term for grand theft. Peoples was released from state prison to the supervision of the Los Angeles County Probation Department on September 27th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2013 after Peoples absconded from post release community supervision (PRCS). People qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for identity theft is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release, make him a most wanted. If you know his whereabouts please contact...
